Dear Mr. Holberg:

This will confirm the receipt of your recent letter advising us of your need of an affidavit supporting our position for an exemption from closed captioning.

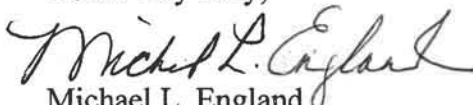

We have provided the FCC with our petition, in triplicate, including our budget figures, a letter from the television station, and a list of our current contributors. We have asked that the church private information not be published, and have supplied you with a second version without that information.

We are now attaching an affidavit supporting the information supplied to the FCC was the truth and the best to our knowledge.

We trust this affidavit will complete our petition, and you can proceed with giving our petition further consideration.

Thank you for your further attention.

Yours very truly,

Michael L. England

To Whom it may concern:

In line with our recent petition requesting consideration be given to the Huntington Park Church of Christ for an exemption of the requirement for closed captioning, we have submitted copies of the Church budget, supporting congregations, a letter from the Television station, as well as information we have solicited from closed captioning companies.

This information is true and correct to the best of my knowledge.

Yours very truly,

Michael L. Englar,
